MY NAME IS
DEBORAH ELLIS
Ask Me Anything
AMA- REDDIT

I am a writer of over 20 books for young people about war and social justice. I'm an award-winning author, a feminist and a peace activist. Malala Yousafzai called my book *The Breadwinner* the one book she wishes all girls would read. My latest book, *The Cat At The Wall*, takes place in the West Bank, near Bethlehem.

On Friday, September 19th at 1pm EST, I'm hosting a Reddit AMA at <http://www.reddit.com/r/IAmA>

WHAT IS A REDDIT AMA?

AMA stands for **Ask Me Anything**. An AMA is a thread on the Reddit message board where the community is invited to ask honest, earnest and provoking questions that would rarely show up in a typical media interview. Anyone can participate by asking questions or **upvoting** favorite questions and reading along.

Set up an account at [reddit.com](http://www.reddit.com) and then join me at <http://www.reddit.com/r/IAmA> on Friday, September 19th at 1pm EST
